

## **WEATHER POLICY**

Just a reminder for those of you who have not printed out (or know) the weather policy for Summer Swimming/Diving. Please keep posted somewhere handy so you can access it. Also, remember senior swimmers, this applies only to the practices scheduled for the City Pool.

55 degrees or above: follow normal practice schedule

50 - 54 degrees: optional practice (helps attendance %)

49 degrees or below: No practice (at the outdoor pool – this is merely a **suggestion** for jh/hs swimmers..... Coaches will be there no matter the temp!!!)

The BGSC official weather service is: **352-1512**.

If the temperature is too low for morning practice by the following times, practice will be cancelled: **Remember if it is too cold for one group, it may warm up enough for the next practice time.**

13 & Over:	Blue Group 5:40 am
	Gold Group 6:30 am
12 & Under:	7:30 am
8 & Unders:	7:45 am

The above times also apply to the cancellation of practice if there is **lightning** in the area (**Notice I did not say rain!!**).

Also, any **warnings** in the Wood County area such as severe thunderstorms or tornadoes will also cancel practice.
